COUNT I
VIOLATIONS OF THE ADA AND ADAAG

17. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101 *et seq.*

18. Congress found, among other things, that:

- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
- (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
- (iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;
- (iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and
- (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is

justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. § 12101(a)(1) - (3), (5) and (9).

19. Congress explicitly stated that the purpose of the ADA was to:
 - (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
 - (ii) provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and

* * * * *

- (iv) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

42 U.S.C. § 12101(b)(1)(2) and (4).

20. The congressional legislation provided places of public accommodation one and a half years from the enactment of the ADA to implement its requirements.

21. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

22. The Property is a public accommodation and service establishment.

23. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice and Office of Attorney General promulgated federal regulations to implement the requirements of the ADA. 28 C.F.R. Part 36.

24. Public accommodations were required to conform to these regulations by January 26, 1992 (or by January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181 *et seq.*; 28 C.F.R. § 36.508(a).

25. The Property must be, but is not, in compliance with the ADA and ADAAG.

26. Plaintiff has attempted to, and has to the extent possible, accessed the Property in his capacity as a customer at the Property as well as an independent advocate for the disabled, but could not fully do so because of his disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

27. Plaintiff intends to visit the Property again in the very near future as a customer and as an independent advocate for the disabled, in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Property, but will be unable to fully do so because of his disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

28. Defendant, MTV GROUP L L C, has discriminated against Plaintiff (and others with disabilities) by denying his access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Property, as prohibited by, and by failing to remove architectural barriers as required by, 42 U.S.C. § 12182(b)(2)(A)(iv).

29. Defendant, MTV GROUP L L C, will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant, MTV GROUP L L C, is compelled to remove all physical barriers that exist at the Property, including those specifically set forth

herein, and make the Property accessible to and usable by Plaintiff and other persons with disabilities.

30. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed, or was made aware of prior to the filing of this Complaint, that precluded and/or limited Plaintiff's access to the Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Property include, but are not limited to:

ACCESSIBLE ELEMENTS:

- (i) Near Unit 4913, the accessible parking space is missing an identification sign in violation of Section 502.6 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to locate an accessible parking space.
- (ii) Near Unit 4913, the access aisle to the accessible parking space is not level due to the presence of an accessible ramp in the access aisle in violation of Section 502.4 of the 2010 ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.
- (iii) Near Unit 4913, the accessible curb ramp is improperly protruding into the access aisle of the accessible parking space in violation of Section 406.5 of the 2010 ADAAG Standards. This violation would make it difficult and dangerous for Plaintiff to exit/enter their vehicle.
- (iv) Near Unit 4913, the accessible parking space is not level due to the presence of accessible ramp side flares in the accessible parking space in violation of Sections 502.4 and 406.5 of the 2010 ADAAG standards. This violation would make it

dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.

- (v) Near Unit 4921, the accessible parking space is missing an identification sign in violation of Section 502.6 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to locate an accessible parking space.
- (vi) Due to a policy of not having parking stops for the parking spaces directly in front of the exterior access route, cars routinely pull up all the way to the curb and the "nose" of the vehicle extends into the access route causing the exterior access route to routinely have clear widths below the minimum thirty-six (36") inch requirement specified by Section 403.5.1 of the 2010 ADAAG Standards. This violation would make it dangerous and difficult for Plaintiff to access exterior public features of the Property.
- (vii) Due to a policy of not having parking stops for the parking spaces directly in front of the exterior access route, cars routinely pull up all the way to the curb and the "nose" of the vehicle extends into the access route as a result, in violation of Section 502.7 of the 2010 ADAAG Standards, parking spaces are not properly designed so that parked cars and vans cannot obstruct the required clear width of adjacent accessible routes.
- (viii) As detailed in (vi) and (vii) above, when a vehicle in the accessible parking space pulls up to the curb, due to the lack of a parking stop for the accessible parking space, the "nose" of the vehicle extends over the only accessible ramp serving the accessible parking space near Unit 4921 blocking a clear 36 inch accessible route. As a result, there is no accessible route leading from the accessible parking space

near Unit 4921 in violation of section 208.3.1 of the 2010 ADAAG Standards.

This violation would make it difficult for Plaintiff to access the units of the Property from this accessible parking space.

- (ix) Inside Dickinson Express, there are sales and services counters lacking any portion of the counter that has a maximum height of 36 (thirty-six) inches from the finished floor in violation of Section 904.4 of the 2010 ADAAG standards, all portions of the sales and service counter exceed 36 (thirty-six) inches in height from the finished floor. This violation would make it difficult for Plaintiff to properly transact business at the Property.
- (x) Inside Dickinson Express, the interior has walking surfaces lacking a 36 (thirty-six) inch clear width, due to a policy of placing items in the accessible route and maximizing product placement, in violation of Section 403.5.1 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to properly utilize public features at the Property.
- (xi) Defendant fails to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

DICKINSON EXPRESS RESTROOMS

- (xii) The restrooms lack proper door hardware in violation of Section 404.2.7 of the 2010 ADAAG standards because it requires the twisting of the wrist and tight grasping to operate. This would make it difficult for Plaintiff and/or any disabled individual to utilize the restroom facilities.
- (xiii) The restroom lacks signage in compliance with sections 216.8 and 703 of the 2010 ADAAG standards. This would make it difficult for Plaintiff

and/or any disabled individual to locate accessible restroom facilities.

- (xiv) The door to the restrooms has a maximum clear width below 32 (thirty-two) inches, due to the proximity of the gaming device, in violation of Section 404.2.3 of the 2010 ADAAG standards. This would make it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.
- (xv) The door to the restroom lacks an adequate minimum maneuvering clearance, due to the proximity of a barrier closer than 18 inches to the door hardware, in violation of Section 404.2.4 of the 2010 ADAAG standards. This made it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.
- (xvi) Restrooms have a pedestal sink with inadequate knee and toe clearance in violation of Section 306 of the 2010 ADAAG standards. This would make it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.
- (xvii) The restrooms have grab bars adjacent to the commode which are not in compliance with Section 604.5 of the 2010 ADAAG standards as the rear bar is too short. This would make it difficult for Plaintiff and/or any disabled individual to safely utilize the restroom facilities.

31. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Property.

32. Plaintiff requires an inspection of the Property in order to determine all of the discriminatory conditions present at the Property in violation of the ADA.

33. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

34. All of the violations alleged herein are readily achievable to modify to the Property into compliance with the ADA.

35. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because the nature and cost of the modifications are relatively low.

36. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because Defendant, MTV GROUP L L C, has the financial resources to make the necessary modifications. According to the Property Appraiser, the Appraised value of the Property is \$1,148,700.00.

37. The removal of the physical barriers and dangerous conditions present at the Property is also readily achievable because Defendant has available to it a \$5,000.00 tax credit and up to a \$15,000.00 tax deduction from the IRS for spending money on accessibility modifications.

38. Upon information and good faith belief, the Property has been altered since 2010.

39. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be modified to comply with the 1991 ADAAG standards.

40. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that he will continue to suffer irreparable harm unless and until Defendant, MTV GROUP L L C, is required to remove the physical barriers, dangerous conditions and

ADA violations that exist at the Property, including those alleged herein.

41. Plaintiff's requested relief serves the public interest.

42. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendant, MTV GROUP L L C.

43. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of litigation from Defendant, MTV GROUP L L C, pursuant to 42 U.S.C. §§ 12188 and 12205.

44. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant, MTV GROUP L L C, to modify the Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

- (a) That the Court find Defendant, MTV GROUP L L C, in violation of the ADA and ADAAG;
- (b) That the Court issue a permanent injunction enjoining Defendant, MTV GROUP L L C, from continuing their discriminatory practices;
- (c) That the Court issue an Order requiring Defendant, MTV GROUP L L C, to (i) remove the physical barriers to access and (ii) alter the Property to make it readily accessible to and useable by individuals with disabilities to the extent required by the ADA;
- (d) That the Court award Plaintiff his reasonable attorneys' fees, litigation expenses and costs; and

- (e) That the Court grant such further relief as deemed just and equitable in light of the circumstances.
